

MY NAME IS RON PACKARD THIS IS MY WIFE JOANIE'S STORY OF COVID HOSPITAL PROTOCOL THAT MURDERED HER OR EUTHANIZED HER AFTER 28 DAYS IN THE HOSPITAL. WE GOT SICK THE WEEK AFTER XMAS 2021. WE ALL TESTED POSITIVE ON 1/3/22 MY WIFE GOT WORSE & ON 1/7/22 TAKEN TO GOOD SAMARITAN HOSPITAL IN BROCKTON, MA. BY AMBULANCE AS HER OXYGEN WAS IN THE LOWER 80'S. IT TOOK 4 DAYS IN ER BEFORE A ROOM OPENED BUT THEY HAD STARTED HER ON REMDESIVIR BY THEN. WE WEREN'T ALLOWED IN TO SEE HER AT ALL. THIS CAUSED HER TO GET DEPRESSED BY SHUTTING US OUT BY NOT SEEING US WITHIN 2 1/2 WEEKS. I COULD ONLY TEXT HER TO CONTACT AS SHE WAS ON HIGH OXYGEN THE WHOLE TIME. BY JAN 28TH SHE STOPPED RETURNING OUR TEXTS. I TRIED TO GET A PATIENT ADVOCATE & CALLED MANY TIMES BUT NO ONE CALLED ME BACK SHE WAS ISOLATED FROM US OTHER THAN THE TEXTS THEN THEY STOPPED. THEY TALKED ABOUT HER GOING TO AN ACUTE REHAB THE FOLLOWING WEEK BUT INSTEAD 2 DAYS LATER THEY SAID SHE WAS HAVING TROUBLE BREATHING & THEY WERE TAKING HER TO THE CCU TO DO AN EVALUE ON HER. WHEN I CALLED THE CCU THEY TOLD ME THEY HAD TO VENTILATE HER ON 1/30/22 OR SHE WOULDN'T MAKE IT SO THEY DID. FROM THERE SHE WENT WAY DOWN FAST HER KIDNEYS WERE FAILING & ALONG WITH HER LIVER. WE MY 2 SONS & I FINALLY WERE ALLOWED TO SEE HER ON WEDNESDAY WHILE SHE WAS IN A COMA. WE SAW HER ON THURSDAY AGAIN. ON FRIDAY 2/4/22 WE WERE TO SEE HER AT 11AM. WHEN WE GOT THERE THE NURSE SAID THE DR WANTED TO SEE US AS SHE HAD A HEART EVENT AT 5AM THAT MORNING. THEY HAD BEEN DOING DIALYSIS FOR 3 DAYS FOR HER KIDNEYS. HE SAID SHE WAS REAL SICK THEY WERE GOING TO TRY DIALYSIS AGAIN & WERE SETTING IT UP. MY SON & I WENT IN WAITING FOR MY OTHER SON TO GET BACK FROM WORK. SHE HAD ANOTHER HEART EVENT THEN THE CRASH TEAM CAME IN GAVE HER SOMETHING TO GET HER BACK. WHEN MY OTHER SON SHOWED UP HE WENT IN FOR 15 MINUTES WHEN ME & MY OTHER SON WENT IN TOO. THEY ASKED TO DO A DEFIB IMPLANT FOR HER HEART SO THEY COULD DO DIALYSIS. WELL SHE HAD ANOTHER HEART EVENT THE 3RD THAT DAY. MY SON & I SAW IT AS A DR WAS ON TOP HER HER DOING CHES COMPRESSIONS FOR 2-3 MINUTES. THERE WAS A PRIEST THERE WITH US WHO SAID THATS HER 3RD CODE TODAY HOW LONG ARE THEY GOING TO DO THIS TO HER BY KEEPING BRINGING HER BACK LIKE THAT. THAT'S WHEN I CALLED THE DR OVER TO TELL HIM I'VE GONE WAY OVER & ABOVE WHAT SHE WANTED FOR OUR GRAND KIDS I'M HER PROXY & SHE MINE. SHE DIDNT WANT TO LIVE IF SHE COULDN'T LIVE THE WAY SHE WANTED & NOT ON A MACHINE. THE DR SAID THERE ISN'T ANYTHING MORE THAT WE CAN DO. SO I ASKED MY 2 SONS THAT WE SHOULD LET HER GO & WHAT THEY THOUGHT. SO WE AGREED AFTER MY SON ASKED THE DR WHAT WOULD HE DO IF IT WAS HIS MOTHER, HE SAID I'D LET HER GO. & STOP BRINGING HER BACK CAUSING MORE

INJURY TO HER CHEST. 10 MINUTES LATER THEY GAVE HER SOMETHING TO MAKE HER COMFORTABLE AS THEY TOOK OUT THE VENTILATOR. WE SAT BY FOR AN HOUR AS HER HEART RATE FLAT LINED THEY PRONOUNCED HER DEAD AT 4:58. I KNOW ALL ABOUT WHAT REMDESIVIR DOES IT CAUSES KIDNEY, LIVER, & HEART FAILURE THAT & FAUCI MANDATED THAT DRUG FOR ALL COVID HOSPITAL PATIENTS WHETHER THEY OR THEIR FAMILIES SAID NO TO REMDESIVIR.
